

# EU 692K RINSE AID STRONG

Dishwasher rinse aid with acidic pH

Highly concentrated rinse aid for use in one washing cycle. Suitable for all types of commercial dishwashers. Accelerates drying of dishes, leaving them streak- and stain-free, even with very hard water. Recommended for use in food processing areas and hotel and restaurant kitchens. Chlorine- and phosphate-free. Product intended for professional use.

0,3 – 0,8 ml / 1 L water
